

REMARKS

This paper resubmits claim amendments previously submitted in the Amendment After Appeal Under 37 CFR § 1.116, filed on July 28, 2005. In the Advisory Action dated October 13, 2005, the Examiner refused to enter the proposed amendments because they raise new issues that would require further consideration and/or search. Appellant respectfully traverses and requests reconsideration of the Examiner's refusal to enter the amendments.

According to 37 CFR § 41.33(a), Amendments filed after the date of filing an appeal pursuant to § 41.31(a)(1) through (a)(3) and prior to the date a brief is filed pursuant to § 41.37 may be admitted as provided in § 1.116 of this title. According to 37 CFR § 1.116, an amendment presenting rejected claims in better form for consideration on appeal may be admitted.

With this Response to Advisory Action, the Examiner is requested to enter the amendments to claims 1, 68-71, and 89, as indicated in the claim listing above. Appellant submits that the proposed amendments present the rejected claims in better form for consideration on appeal and do not require further consideration and/or search.

In particular, claim 1 is amended to correct an obvious typographical error to change "ma ster" to "master".

Claims 68-71 and 89 are all amended to correct the recitation of the preamble of the claim from which the claims depend. For example, claim 68 previously recited "The content distribution system of claim 35...", and was amended to recite "The distributed entertainment system of claim 35..." to correspond with claim 35, which recites "A distributed entertainment system...". Similar amendments are made to claims 69-71 and 89.

Appellant submits that these amendments correct clear clerical errors to present the rejected claims in better form for consideration on appeal, and do not require further consideration and/or search.

Accordingly, Appellant requests entry of the proposed amendments.

The Examiner is requested to call Applicants' attorney at (408) 392-9250 if he has any questions regarding this amendment.
